*The Average Sold Price per Square Footage was Neutral**

The Average Sold Price per Square Footage is a great indicator for the direction of property values. Since Median Sold Price and Average Sold Price can be impacted by the 'mix' of high or low end properties in the market, the Average Sold Price per Square Footage is a more normalized indicator on the direction of property values. The July 2026 Average Sold Price per Square Footage of $0.

* Based on 6 month trend – Appreciating/Depreciating/Neutral

*The Days on Market Showed Neutral Trend**

The average Days on Market (DOM) shows how many days the average property is on the market before it sells. An upward trend in DOM trends to indicate a move towards more of a Buyer's market, a downward trend indicates a move towards more of a Seller's market. The DOM for July 2026 was 33, down ***15.4%*** from 39 days last month and up ***3.1%*** from 32 days in July of last year.

*The Sold/Original List Price Ratio Remains Steady***

The Sold Price vs. Original List Price reveals the average amount that sellers are agreeing to come down from their original list price. The lower the ratio is below 100% the more of a Buyer's market exists, a ratio at or above 100% indicates more of a Seller's market. This month Sold Price vs. Original List Price of 97% was the same as last month and the same as in July of last year.

* Based on 6 month trend – Upward/Downward/Neutral
** Based on 6 month trend – Rising/Falling/Remains Steady
